

# ERRATA

Despite my best efforts and those of the editors who work to make the games as good as they can be, errors happen. This document collects any bits of mechanics that are either missing information or do not work as intended.

## Shadow of the Demon Lord

*Cloak of Shadows* talent on page 97

The talent should read:

While you are in a lit area, you are treated as if you were in an area of shadows.

*Discerning Illusions* sidebar on page 132

The third sentence should read:

It makes the roll with 1 bane per point its Power score is lower than that of the illusion's caster or 1 boon per point its Power score is greater than that of the illusion's caster.
